Dear Citizens

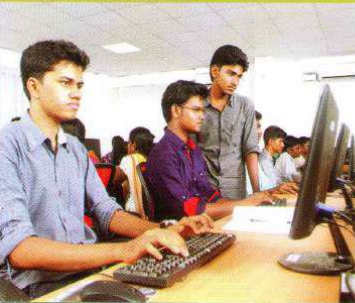

Vandhe Madharam!

Missions serve humanity and clear vision rule the missions. The immaculate vision of a man foretells his destiny. If we see it in depth, we will find that we are here on earth to fulfil a mission within the shortest time of our own lives. In this regard, I always appreciate the golden words of the great visionary poet Robert Frost, "Miles to go before I sleep."

I started counting the milestone from the year 1984. When i realised the necessity for providing appropriate, ample and adequate quality education to the rural younger generation. Each and every leaf of this brochure will provide complete information about, Rajas Institutions.

Welcomes you all to **Rajas Colleges,**
Vadakkangulam, Nagercoil & Radhapuram

Jai Hind.

ABOUT US

Dr. JOY S.A. RAJA is the Chairman of Rajas Institution following the footprints of his father Dr.S.A Raja, provides quality education. He is a true leader with farsightedness extending his services in India and abroad. He obtained Master degree in Business Administration and Ph.D. from USA. He also worked in MNCs in Canada and USA. He has served as a consultant for several multinational projects across the Globe. With dedication and untiring work combined with innovative ideas and thoughts he is successfully laying milestones in every untouched area. His commitment and wide knowledge in the field of education is what makes our institution to reach greater heights.

- | To set high standards in the field of professional education | To spread the fragrance of learning even to the remotest part of the country.
- | To evolve new dimensions in Research and Technology | To inculcate moral values, and develop leadership, and Citizenship with dignity.
- | To shape discipline, competency and character of technicians | To strengthen, the nation's human resources and ultimately to mould a new generation of young scientists and technologists | To equip the students to face the challenges in the fast developing technological world
- | To provide a dynamic campus environment replete with engaging programs.

With 34 Years of Excellence, Rajas group of Institutions has laid down another milestone during 2016 in the field of Agriculture. The Indian Agriculture College, Radhapuram is established by Joshua Educational & Charitable Trust and approved by Tamilnadu Government. The College offers 4 years B.Sc.
