## MORIN-TIAC

**MORINTIAC** is an exciting initiative taken to promote agripreneurship among Students of TIAC with four members (Hema Shree S, Naveen N, Tamizyazhini S, and Dayanethi R) initially. Now with an add up, totally fifteen members are reactively involved in this. Our products, crafted entirely from our own recipes and ideas, which includes Moringa Soup Mix Powder, Moringa Laddoo, Moringa Chapathi, Moringa Rice Mix, and Moringa Cookies. On July 5th, we launched a sales outlet on our college campus, where the Moringa Chapathi, Moringa Laddoo, and Moringa Cookies received an overwhelmingly positive response, generating substantial revenue.
