

# LAYOUT OF THE INDIAN AGRICULTURE COLLEGE, RADHAPURAM

## Self Study Report for the Programme

Joshua Educational and Charitable Trust, Nagercoil was established on 6<sup>th</sup> February 2012. Under this trust, The Indian Agriculture College was established during 2016 at Radhapuram, Tirunelveli district, Tamil Nadu and granted Minority Status (Religious / Christian) by the Government of Tamil Nadu. The college is approved by Government of Tamil Nadu (G.O. (Ms) NO: 172/2016) and affiliated to Tamil Nadu Agricultural University, Coimbatore (NO: EI/IAC/10910/2016).

### VISION

- To develop quality technical manpower through excellence in agricultural education and enhance the chances of employability and entrepreneurship.
- To improve the livelihood of the farmers in southern districts of Tamil Nadu, through the development and transfer of eco-friendly sustainable agricultural technologies.

### MISSION

- To impart quality agricultural education and to carry out need based research and technology transfer to the farming community of southern districts of Tamil Nadu.

### OBJECTIVES

The primary objectives of this institute to start the degree programme are:

- Enhancing the agricultural manpower through quality education in agriculture.
- Addressing the zonal problems on crop improvement, crop management and crop protection of field and horticultural crops and developing appropriate technologies through research programmes.
- Developing sustainable technologies for enhancing the production of horticultural crops in Tirunelveli and Kanyakumari district.
- Dissemination of the technologies for adoption by the farming community of southern districts of Tamil Nadu.
